

Parking Waiver Request

Homeowners Association Exhibit A

Generally, pursuant to our Rule 7.2, vehicles must be parked in garages. However, specific exceptions to this rule have been allowed:

1. Resident-owned vehicle(s) is(are) too large to be parked within the Resident's garage.
2. Residents own more vehicles than there is garage space.
3. Residents need to have a stationary container in place for longer than 7 days.

The Board of Directors will consider other circumstances on an individual basis. In order for the Board of Directors to consider your request, Residents must submit the following:

1. This completed form.
 2. A photo of the garage that shows the garage is not being used for any purpose that interferes with the ability to park the number of vehicles the garage was designed to accommodate.
 3. A photocopy of the registration for each vehicle showing that it is registered to a Resident.
 4. Vehicle too large--Photo of the vehicle that shows it does not fit into the garage.
 5. More vehicles than garage space--Photo of the garage filled with Resident-owned vehicles.
- *Requests for extending the length of time for keeping a stationary container do not need the accompanying photocopies, but an explanation for the requested extension must be provided.
