

STANDING COMMITTEE INTEREST

If you'd like to volunteer for a Standing Committee, please email Crystal office@summerset2.org or complete the form below and return the bottom portion to the office, place in the Board of Directors drawer, or place in the Clubhouse drop-box. Your name will be added to the Interest List. When there is a vacancy on a Committee, you will be contacted.

There are a few limitations for serving on a Standing Committee (per Operating Rules or Bylaws).

1. Owners must be in good standing.
2. Renters and non-resident Owners (don't live in SSII) are not eligible.
3. Owners can only be on one Standing Committee unless they are Board members.

The Committees and a brief description of their duties are listed below. If you'd like more information, please let the office know.

- **Architectural Committee:** reviews requests for changes to an owner's home or property
- **Board Advisory Committee (BAC):** reviews Operating Rules, Bylaws, CC&Rs at the request of the Board
- **Clubhouse/Décor Committee:** makes recommendations to the BOD for improvements to the Clubhouse
